Consulted BPS Efer about claim 1 with respect to the 112 <sup>nd</sup> rejection and the lack of clarity within the claim. 112 <sup>ST</sup> rejection over possession was discussed however the prior art + state of the art and the rejection already been being made made over the polypeptide having a fragment longer than Seq 10/12 being addressed; the written description was no longer necessary. Also claim 9, and the application of art rejections was determined and discussed. 11/07/07
